

CORIAN® CUSTOMER CHECKLIST

www.countryclubsupply.com/corian

- First, you need to decide on the type of Corian displays you are interested in and their colors.
Standard colors:

				
Glacier White	Linen	Dusk (Grey)	Sandstone	Night Sky Black

Custom colors are also available, but have a five piece minimum and are an additional \$5.00/piece. For a list of custom colors, go to www.countryclubsupply.com/corian/colors.html. Samples of standard and custom colors are also available, call for details.

- If you are looking at open-type Display Bottle holders (upper right in below picture), they have different color selections, and are only available in a select amount of colors, not including Night Sky Black. See the attached sheet for a valid color list.

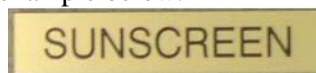

- A nice touch to add to Corian is laser etching. If you would like laser etching, there is a \$30.00 per piece charge for engraving, as well as a \$30.00 one-time setup fee for each etching variation. If you are interested engraving a multi-color logo, please call for details. See examples below.

With laser engraving, you can also add text (i.e. Hand Lotion, Mouthwash, Sunscreen, etc) included in the price of logo etching in various fonts.

- If a logo is to be engraved, e-mail it to Corian@countryclubsupply.com. When your project is ready to be engraved, a color fax-back proof will be e-mailed to you for you to approve.

- A cheaper alternative to laser engraving is “Peel-and-apply” labels, which can be ordered in various inscriptions in a variety of metals. See example below:

- For open bottle holders, there is a mounting option (Screw hole drilling) for \$6.00/piece –(\$5.00 for quantities over ten). #CR-CSKH1

There are two types of holes- Standard and Keyhole type for removable mounting.

- Project Completion Time: (Can usually be completed faster with rush charges, call for details)
- o 18-24 business days with laser engraving
 - o 12-18 business days without

Custom colors may take an additional week. The project begins after you sign off on your order. These times do not reflect transit (Insured F.O.B. UPS Ground).

Please note the all corian orders \$2500 or more require a 50% prepayment (not including freight).
